# CYPRESS & FIR

A fine fragrance with notes of frosted fir needle, white eucalyptus, and crushed pine cone.

Inspired by native cypress trees, cozy fireplaces, and the feeling of togetherness, **Cypress & Fir** blends curated artisan vessels and unique illustration with fragrance to bring the aroma of a fresh forest into your home. Each piece, from hand-blown glass, to matte textured ceramics, is designed to evoke a sense of holiday cheer that carries throughout the season.

# How to REPURPOSE

1. Place the used vessel in the freezer overnight.
2. Once frozen, lightly tap the vessel on a soft surface until the wax pops out.
3. Using a utensil and a soft cloth, remove any remaining wax, wick, or glue dot.

*Enjoy!*

*Paddywax designs with repurposing in mind and we hope that we continue to fill your home as a candle first and as home decor second. We upcycle all of our candles with a specific purpose in mind so that the beautiful vessel lives on in the home. Light our cotton wicks and let fragrance and light fill your living spaces.*
